Professional Summary

I'm 23 years old. I am a computer engineering student. I am improving to myself to gain professional experience. My passion is computer science and new technologies. I'm a hard working person, I learn quickly. I am looking for opportunities to develop as a web developer.

Education

08/2017 - Present

Mersin University of Mersin
 • BSc Degree
Final year project: 'Dynamic and Front-end Based Website '.
I made 2 web projects, one in the fall semester and one in the spring semester.
First Project : https://archerdb-4601b.firebaseapp.com/
- This project is a dynamic e-commerce website.
- This project includes database (Firebase), React.js, CSS.
Second Project : https://hotel-management-465ef.web.app/
- This project is a front-end based website.
- This project includes React.js, CSS, JSON
My Chat App : https://gamer-pager.netlify.app/
- This project is a dynamic chat web app with authentication. With direct and group chats, emojis and reactions, gif support, edit and delete messages.
